Dear President of Khon Kaen University,

The International College of National Institute of Development Administration (ICO NIDA) is a newly established international graduate school under the National Institute of Development Administration (NIDA) locating in Bangkok, Thailand. We offer graduate curriculum in both Master and Doctoral Program in Management as well as a large amount of research publications and consultancy jobs for both public organizations and private organizations in Thailand.

With our seven partner universities, ICO NIDA would like to invite the participants from institutes to participate in our *"1st International Conference on Multidisciplinary in Management"*, held at our campus in Bangkok, Thailand on October 30, 2015. Shown in our conference schedule per attachments, this international conference aims providing research in multidisciplinary field in management in areas of Marketing Management, Financial Management, Policy and Management, Human Resource and Organization Development, Corporate Governance, and Education Management. Learning across the boundaries will be the key success of our conference.

We now can attract researchers from Germany, Austria, Canada, Japan, Slovakia, India, Sri Lanka, China, Laos PDR, Indonesia, Myanmar, Vietnam, and Thailand. For our potential participants, please reserve your seat by sending your email to Dr. Peerayuth (Pete) Charoensukmongkol (peerayuth@outlook.com) or to Miss Varisa Kanharattanachai (varisa.k@nida.ac.th) by October 25, 2015. For more information, please visit [www.ico.nida.ac.th/conference](http://www.ico.nida.ac.th/conference).

Do not miss this opportunity to our real academic and fun conference.

Sincerely,

*Piboon Puriveth*
